

INSTRUCTIONS FOR PROVISIONALLY ADMITTED STUDENTS / PARENTS FOR B. TECH ADMISSIONS 2026

Online Hostel Allotment and Payment Process for First-Year B.Tech. Students (2026–27)

After completing admission by paying the course fee, students may proceed to the online hostel allotment and payment process. Before accessing the hostel allotment portal, applicants and parents are advised to keep their Credit/Debit Card or Net Banking credentials ready, ensuring that they are active and have sufficient transaction limits.

Procedure for Submitting the Online Hostel Application

- Log in to <https://hms.manipal.edu> using your Application Number.
- Click on **Generate OTP** and enter the one-time password sent to your registered mobile number.
- Thereafter, click on **Apply for Room**. A list of available hostel accommodations along with their seating capacities will be displayed. You may then select your preferred hostel block and room from the available options.
- Following room confirmation, proceed immediately to make the online payment through the designated payment gateway (Atom/HDFC) provided in the link.
- If the online payment fails, please contact your bank for assistance.
- Upon successful completion of the process, the student will receive the hostel allotment confirmation via email.

Important Note: Once a payment is made, the verification and bank reconciliation process may take up to 24–48 hours to complete. During this period, the payment status may not be updated immediately.

If you have already attempted payment, please wait for 48 hours and check the portal again before initiating another transaction. If you are certain that your previous payment attempt was unsuccessful and no amount was debited from your account, you may proceed with a fresh payment.

In case of any duplicate or excess payments, the amount will be adjusted or refunded as per the applicable process. Please keep your Transaction ID / Reference Number safe for future reference and support purposes.
